Statement of Comprehensive Income	4
Statement of Financial Position	5
Cash flow statement	6
Notes to the Financial Statements	7-9
Statement of Detailed Expenditure	10
Appendix 1	

Section 7(1) of the Societies Act Cap 119 requires the directors to prepare financial statements for each financial year, which gives a true and fair view of the state of affairs of the Organisation and of the surplus or deficit for that period.

In preparing such financial statements, the directors are required to:

- a)select suitable accounting policies and apply them consistently;
- b) Make judgements and estimates that are reasonable and prudent;
- c)Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the organisation will continue in business.

The directors are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Organisation. The directors are also responsible for safeguarding the assets of the Organisation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors confirm that in their opinion:

The financial statements give a true and fair view of the organisation affairs as at  $31^{st}$  December 2012 and of its surplus and cash flow for the period then ended;

At the date of this statement there are reasonable grounds to believe that the Organisation will be able to pay its debts as and when they fall due.

The financial statements are drawn up in accordance with applicable accounting standards.

This statement is made in accordance with a resolution of the Board of Directors.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMMBERS OF CONSUMER UNITY & TRUST SOCIETY INTERNATIONAL.

#### Report on the financial statements

We have audited the financial statements of Consumer Unity & Trust Society International Financial position as at  $31^{st}$  December 2012 and the income statement for the year then ended and the notes to the financial statements, which include a summary of significant accounting policies and explanatory notes set out on page 7-9.

#### The Director's responsibility for the financial statements.

As described on page 1, the directors are responsible for the preparation of the financial statements in accordance with International Financial Reporting Standards. This responsibility includes designing, presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

#### Auditor's responsibility,

Our responsibility is to express an opinion on these financial statements based on our audit. We have conducted our audit in accordance with approved international auditing reporting standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement

An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments' made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the entity' circumstances consistently applied and adequately disclosed.

We however would like to highlight a few points that are of paramount importance in the efficient running of this Organisation.

1) Rent received was mostly not banked but expensed immediately. Proper accounting procedure is required in this situation.

2) The use of Excel as an accounting package is not a preferred option. We therefore strongly that an accounting package be obtained. We are happy to hear that Pastel Accounting was acquired for the 2013 financial year.

# **Opinion**

In our opinion, the financial statements present fairly, in all material respects, the financial position of Consumer Unity & trust Society International as at 31<sup>st</sup> December 2012 and its surplus and cash flow for the period then ended in accordance with International Reporting Standards (IFRS).

Jairos N. Mtonga
